Importance: High

I need to ensure that the list of priority cases for June contains the cases that are expected to be in the next SNUR-based Not Likely Batch (i.e., FY 19.3B) and that the Program Managers are ready with their cases.

[REDACTED] has identified the following as the six cases that she expects to be in this SNUR batch. I have added some comments in red font.

[REDACTED] Already on the June list of priority cases

Ex. 5 Deliberative Process (DP) [REDACTED] — this is one of your cases. Do you want it to be in this next SNUR batch?

[REDACTED] This is on the "Hair on Fire Case" but I will add it to the June priority list as well. [REDACTED] — this is one of your cases. Do you want it to be in this next SNUR batch?

Ex. 5 Deliberative Process (DP)

This has already been included in Batch 19.2B.

This case does not exist. Perhaps [redacted] meant [redacted]

The date for NCMB completion of this next SNUR batch is 6/21. Can you please confirm:

- 1) Are these the only 6 in the batch
- 2) Will they be on the RAD MUST complete this month list.
